## Sell more cars

### with Salesmate - The Car Sales Point of Difference

- Sells 24 hours a day, seven days a week
- Instantly provides voiced vehicle information for interested buyers
- Takes messages, or connects callers directly to your mobile
- Sends vehicle details to callers by SMS
- Captures the caller's details and the vehicle they are interested in for follow up by salesperson
- Salesperson can retrieve messages by telephone or from their computer desktop
- Can list up to 100 vehicles at any time
- Can even supply you with the phone number of the person who called within seconds.

- **A potential customer calls the advertised number and listens to an exciting story about the vehicle.**
- **By request, an instant SMS is sent with more details.**
- **Salesperson captures the caller's details and vehicle ID for a more personal follow up.**
